GIVE THE GIFT OF HONEYBEES

A Heifer honeybee gift donation includes a bee package, hive, box and training in beekeeping techniques. When you buy bees for a family in need, your gift:

- Increases the global honeybee population to support the environment
- Boosts income through sales of honey, wax and pollen
- Stimulates growth of the family's crops through pollination

Sometimes it's the smallest gifts that make the largest impact. Healthy beehives can double fruit and vegetable yields of small farms. Let your honeybee donation turn a family's struggle into a lifetime of opportunity.

Iowa State Bank of Centerville Branch Donates

After a conversation with Ashley, Jay Tori, the banker there, tried to get his branch involved in the community. Ashley shared all about the Iowa Food Bank food give away at our church.

Mr. Tori called Ashley later very excited because he had gotten the bank to give \$250 to each of the 6 food pantries in our county!
